**CAREER AND TECHNICAL EDUCATION PROGRAMS  
SY 2017 - 2018**

*High-quality career and technical education (CTE) helps students gain the skills, technical knowledge, academic foundation and real-world experience they need to prepare for high-skill, high-demand, high-wage careers. CTE offers: Dual enrollment and articulated college credits; Advanced Placement courses; Certifications and industry recognized credentials; Work-based learning and internship opportunities; as well as, organizations and clubs that allow students to test their skills against peers and provide leadership development.*
